Final as of 3/31/2021	\$ 1,405,993.00	\$ 1,405,993.00	2,100	2,094	<p>We disbursed funds in three different groups. \$768,000 (\$375 per student) was disbursed to all eligible students at the start of the pandemic in the spring of 2020. Then the students that had Pell eligibility were given another \$375. This amount totalled \$408,750. We used Pell eligibility as a determinate of economic need. We have also distributed \$176,685 in "Emergency Grants" to students who meet the eligibility requirements of the CARES funds. These funds are open to students through an application where they are able request funds to cover any expenses that may be attributed to the pandemic. These applications are reviewed by a committee weekly and posted to student accounts for disbursement.</p>
